CANDIDATE INFORMATION BULLETIN (CIB)

EXAMINATION CONTENT AND IMPORTANT INSTRUCTIONS

Please visit your official examination provider website for the most current bulletin prior to testing.

The State of Utah Eyebrow/Eyelash Theory Examination is a licensure examination for Eyebrow/Eyelash technicians, developed for the State of Utah Department of Professional Licensing (DOPL).

This bulletin contains IMPORTANT INFORMATION regarding the State of Utah Eyebrow/Eyelash Theory Examination content and references.

The time allowed for this examination is 90 minutes.

PLEASE REVIEW ALL INFORMATION CAREFULLY.

For each Theory Examination, there are multiple parts to every Candidate Information Bulletin (CIB):

- **Important Instructions and Examination Content Domain Sections** – This provides information and guidelines related to administration of the Theory examination and information about the scope of content covered in the examination.
- **References** – This provides a list of references used to develop and support the content covered in examinations. References will be the same across exam types for each exam.

BE CERTAIN TO REVIEW ALL PARTS OF THIS EXAMINATION CIB CAREFULLY!

IMPORTANT INSTRUCTIONS

General

- Do not leave the examination area without permission. Permission must be obtained to leave the examination area for any reason, including restroom usage or at the completion of the examination. *Picture ID is required for re-entry into the examination.*
- All examinations are administered in a testing environment.

Standardized Administration

Due to standardization of the this examination, proctors and examiners are required to adhere to the following standards:

- With the exception of verbal instructions, proctors and examination administration personnel are NOT allowed to speak with candidates.
- If a candidate experiences an emergency situation, they may notify the proctor by raising their hand.

Prohibited Items

- The following provides examples of materials and actions that are prohibited in the examination room during the examination administration:
 - Possession of cellular phones, watches (of any kind), pagers, tablets, computers, projectors, cameras, or any other electronic or recording devices, printed materials, or handwritten notes.
 - Purses, bags, coats, hats, and any other personal items not directly needed to complete the examination, are not allowed.
- Communicating to other candidates or any examiner.
- Exhibiting disruptive behavior. The above referenced items or actions are not an exhaustive list.

Failure to comply with any of these conditions or exhibiting ANY behavior that suggests an effort to cheat will result in immediate dismissal from the examination and the candidates' actions reported to the proper authorities.

EYEBROW/EYELASH THEORY EXAMINATION CONTENT OUTLINE

Domain Details

The following outlines the scope of content covered by the State of Utah Eyebrow/Eyelash Theory Examination. The percentages represent the percentage of items from each domain. The examination contains 60 items, of which 50 items are weighted and contribute to the candidate's final score.

- I. SCIENTIFIC CONCEPTS (55%)
 - A. Basic knowledge of microbiology (i.e., bacteria, viruses, parasites, fungi)
 - B. Apply knowledge of infection control procedures related to:
 - 1. Levels of infection control (i.e., sanitation, disinfection, sterilization)
 - 2. Methods of infection control (i.e., heat, chemical agents)
 - C. Apply knowledge of safety procedures and guidelines related to:
 - 1. Standard (Universal) Precautions
 - 2. Blood exposure procedures
